

תכנית עתידים למחקר 2025

הנחיות הגשה

- כל מסמכי הבקשה יוגשו בשפה האנגלית דרך האינטרנט בלבד.
 - כל הקבצים חייבים להיות בפורמט PDF.
- להלן רשימת המסמכים הנדרשים.

Research Proposal Instructions

All research proposals are submitted in English only. You are responsible for the quality of language and communication in your proposal, at the same level as if you were submitting this proposal for publication or to an external body. The committee reserves the right to reject your proposal if it is not in compliance with the following instructions.

Content

- Title page – research title, full name and affiliation.
- Abstract – 250 words
- Scientific background
- Detailed description of the proposed research, including:
 - Working hypothesis
 - Primary aim and specific aims
 - Research design & methods
 - Facilities and services needed to meet the research goals.
 - Timeline
- Preliminary results (if available)
- Budget justification
- References
- Figures (if applicable)

Detailed Instructions

Submit as one PDF file, up to 10 pages long (excluding the title page but including references and figures) file 5 MegaBytes.

Document Format

- Font: Ariel or Times New Roman, 12 point
- Spacing: 1.5 line spacing
- Margins: 2.5 cm (top, bottom, left and right)

References

- Consistent formatting as for any academic submission
- Vancouver style
- Consecutively numbered in the text
- References may be single spaced.

Figures up to one page

Budget

The budget is up to 50,000 ILS.

Please see the [template](#).

The budget will be submitted in ILS. Please add a short explanation for each budgetary item.

רמב"ם

הקריה הרפואית לבריאות האדם

Helsinki or Ethical Committee Approval

If the research has not yet been approved but is in process, provide supporting documentation. The grant will not be activated unless you show the relevant documentation.

Letter of Support from Department/Unit Head

Including obligation to allocate 50% of your time to research during the grant period, and the planned implementation (e.g. 2 days/week or 6 months/year, etc.)

Letter of Support from hosting lab

Including details of facilities and services that will be available for the proposed research in the hosting laboratory.

Curriculum Vitae

Please download the CV template from the [rambanet link](#).

Resubmission letter

If this application is a resubmission from a previous submission; please detail the differences between the previous submission and this submission and highlight the changes in the research proposal.
